DUBLIN 22

15 September, 2021

TO WHOM IT MAY CONCERN

The Marist Brothers support the "Friends of the Camac" in their submission to South Dublin County Council to clean up the Pond adjacent to our property. We ask South Dublin County Council to consult with us before commencing this work.

I would add that "The Filter Pond" (that next to St. John's Wood) has become most unsightly with scum during the Summer months, as a direct result of South Dublin Council's action in lowering the level of water and restricting the flow through the whole system

Yours sincerely,

A black rectangular box redacting the signature of the sender.

Bro. Nicholas Smith
